

## **SUMMER STUDENT – ACCOUNTING, FINANCE & MARKETING**

**Crew Energy Inc.** is actively looking for a summer student in Accounting & Finance. Reporting to the Manager of Production Accounting, the summer student will assist the department in a variety of tasks and projects during the May to August work term. The successful candidate will get exposure to multiple facets of oil and gas finance and accounting including Accounts Payable/Receivable, Production Accounting, Commodity Marketing and Business Systems (I.T.).

### **Education & Experience**

- Working towards a degree or diploma in Finance, Accounting or Business Administrative Studies.
- Excellent computer skills, including proficiency in Microsoft Office applications
- Highly organized, strong analytical skills, and attention to detail
- Enthusiastic, with excellent interpersonal and communication skills
- Motivated and capable of working independently with minimal supervision
- Inquisitive nature, quick to learn and apply knowledge
- Collaborative mindset and enjoys contributing to team goals

The student must be registered as a full-time student in the previous academic year and intends to return to school on a full-time basis in the next academic year.

Cover letters and resumes can be submitted via email to: [crew.careers@crewenergy.com](mailto:crew.careers@crewenergy.com)
